Create a CloudCME® Account

Instructions to create a CloudCME® account via computer are below.

**Step 1**: Go to [https://uams.cloud-cme.com](https://uams.cloud-cme.com). If you are a UAMS on-campus personnel, see Step 2a. Everyone else, see Step 2b on page 3.

**Step 2a**: Click the **Sign in with your UAMS Email and Password** button.

This will take you to a new window and will ask you to Sign in with your UAMS ID or to Sign in with your email and password.

**Step 3a**: Sign in with your UAMS ID will take you to your email login screen, and you’ll log in as you normally would. Sign in with your email and password, will take you to the screen below.
**Step 4a:** Enter your information and check the User Agreement checkbox at the bottom. All fields are required. Click the **Create Account** button.

**NOTE:** The email and password you use when logging into a computer will be the same when logging into the CloudCME® mobile app.
Step 2b: Click the Sign Up Now button.

UAMS employees must log in with their UAMS information using the Sign In link at the top left of this page.

If you are not a UAMS employee,

click the button below to create a profile.

Sign Up Now

Step 3b: Enter your information and check the at the bottom. Required fields are noted with a red asterisk. If you are new to this system, you will need to login with your email address and the password you created below.

NOTE: The email and password you use when logging into a computer will be the same when logging into the CloudCME® mobile app.

Step 4b: After Signing Up, you'll be able to use the Sign In button on the main screen.

This will take you to a new window and will ask you to Sign in with your UAMS ID or to Sign in with your email and password.
