

GUIDELINES FOR SUBMITTING PLUMBING PLANS

**Please refer to these guidelines for plumbing projects.
Failure to comply shall result in an unacceptable review.**

Mail plans to:

**Arkansas Department of Health
Protective Health Codes – Plumbing & Natural Gas
4815 West Markham/Slot #24
Little Rock, Arkansas 72205-3867**

Plans must include submitters name, address, phone number and email address. Fee must be included along with plans. Act 399 of 1987 amends Act 469 of 1965 to establish plan review fees at 1% of the estimated plumbing and gas cost with a **minimum fee of \$50.00** and a **maximum fee of \$500.00**. A detailed Cost Estimate Worksheet **SHALL** accompany the plans.

Information submitted shall include the name of the project and specific location, such as **city, street, or highway.** ***THE REVIEW WILL NOT BE PROCESSED WITHOUT THE INFORMATION AS NOTED BELOW.**

Include plans and specifications of type of sewage disposal (i.e. public sewer or septic tank). Include plans and specifications on water supply (i.e. public water or private well). If project will be connecting to a septic system and/or private well, an approval from the county Sanitarian will be required along with the plans.

Below is a list of items that shall be shown on all plans: (IF APPLICABLE)
