**SUB-COMMITTEE UPDATES:**

Investigation Committee: Nothing to report

Technology Committee: Captioned video has been received from the creators; and it will be sent Beverly Wade to distribute to the board and then for publication to the website.

Ad Hoc Committee: Work is ongoing. The final meeting will be in January with hopes of bringing information to the full board.

Licensure Committee: Nothing to report.

**Old Business:**

None

**New Business:**

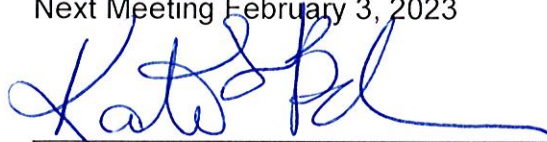

Daisy asked to reassign the new Sub-Committees. Due to hardship of getting a quorum for the sub-committees, there will only be two board members on each committee except for the Licensure Committee as they rotate their approval duties. The reassignments will take place in the February meeting since there will be a full board. This will give board members the opportunity to learn different rolls of the sub-committees. Daisy will email the roles out to the members, so they can decide which sub-committee(s) they would like to serve on.

Daisy as chairperson wishes to say thank you to Debbie for her commitment and learning so much with the licensure approvals. We are sad to lose you. This was Debbie's last meeting as her term has ended.

**Open Position:** One recommendation for the open position on the board was received. The recommendation is for Sebrena Westcott. The motion for Sebrena to fill the open position was made and seconded. Vote was by show of hands. The motion carried.
