Public Awareness Committee:

Chairperson Carol Moore stated on August 27th, 2027, the board will have a table set up at the Arkansas Behavioral Health Institute Conference at the Hot Springs Convention Center. The board meeting will be held on this day instead of August 8th, 2027.

Carol Moore stated at this Conference that the board will get an hour-and-a-half time slot. This session will start with the monthly board meeting. At the conference, the board will share the panel with the certification board to inform the public on the differences and benefits of both the certification board and the licensure board.

Guest, Joel Landreneau represents the certification board and assured the board that they liked the idea of sharing the table with the licensure board and being a part of the panel.

Joel Landreneau stated that he would need to know the names of who will be a part of the panel because everybody who appears will have to be registered as a presenter so that they will have a badge generated. Mr. Landreneau stated that they will have a printer on hand to print badges.

Chairperson, Carol Moore stated that all board members will need to notify the board's administrator, Jacob Smith, separately and let him know who will be able to attend for the full three days and when the board members will be at the Behavioral Health Institute.
