

Fiscal Year 2025 Annual Report

A Note from Our Director

It is a pleasure once again to review and report on the activities of the Arkansas State Board of Pharmacy. I want to repeat some of the same points from years past such as the fact that the Arkansas State Board of Pharmacy has continued to serve the public and our licensees with unparalleled service throughout this time as pharmacies and pharmacy professionals continue to act as a primary point of service for the health needs of Arkansans.

Since our last report, the Board has invested in our own infrastructure and database system to move towards the delivery of an updated system that has much more flexibility for our licensees to interact with our agency and streamline the application and update processes for everyone going forward. The Board has also continued to Build Partnerships for a Brighter Future by working with pharmacies and pharmacists to see how they can better care for patients. In many instances, this has included joining efforts to help educate interprofessional audiences to include both prescribers and dispensers to discuss hot topics such as interruptions in controlled substance supplies to pharmacies in Arkansas. By working with different partners educate on interprofessional issues we all face as part of the healthcare team, our Board hopes to better serve the citizens of Arkansas including the pharmacies and pharmacy personnel that are overseen by our agency.

Once again, it is our honor to serve Arkansas as we continue to explore opportunities to continue our mission to promote, preserve, and protect the public health, safety, and welfare by and through the effective regulation of the many aspects of the drug delivery system.

Sincerely,

A handwritten signature in blue ink that reads "John Clay Kirtley". The signature is fluid and cursive, with the first name "John" being the most prominent.

John Clay Kirtley, Pharm.D.
