2025 LICENSURE RENEWAL **CONTINUING EDUCATION ATTESTATION**

The licensed Physical Therapist must complete, by December 31, in each biennium, two (2) CEUs. The licensed Physical Therapist Assistant must complete, by December 31, in each biennium, one (1) CEUs.

One CEU is defined as 10 contact hours of an accredited course or program. A contact hour is equal to 60 minutes.

No more than 50% of continuing education can be taken through online courses. Webinars that are both live and interactive are considered to be in-person attendance.

Physical Therapists and Physical Therapist Assistants are required to pass the ASBPT jurisprudence examination as part of the required continuing education. The jurisprudence examination is counted as a one hour online course.

If a license was issued in 2023 or 2024 continuing education is not required for the 2025 renewal.

Licensees failing to complete the continuing education requirement by December 31, 2024 cannot renew and must contact the ASBPT office by email or phone for further information.

Continuing Education Audits

Continuing education audits begin after the renewal due by March 1, 2025. A licensee who fails to comply with continuing education requirements, including the audit process, **may be subject to disciplinary action.**

Beginning with the renewal due by March 1, 2025, **all licensees shall certify by attestation, under oath and under penalty of perjury**, that the licensee completed the required continuing education, and that the continuing education obtained meets the acceptable continuing education criteria specified.

By submitting the renewal application, I certify that I have fulfilled the continuing education requirements for licenses issued before 2023. For licenses issued in 2023 or 2024, I acknowledge that these requirements do not apply for the 2025 renewal.
