

Spinal Connection

The *Spinal Connection* is an informational newsletter prepared and mailed/emailed to ASCC clients and to rehabilitation and healthcare professionals who request to receive it.

The newsletter is mailed out quarterly. It includes the latest information about ASCC and our staff, programs and services, articles on a variety of timely topics, an article on a medical topic by ASCC Medical Director, client highlights, and an article from the ASCC Executive Director. Archives of previous newsletters are available by request. If you have a topic you would like to see included in the *Spinal Connection* or would like to submit an article or announcement, please contact the *Spinal Connection* Editor at **501-296-1785** or ascc@arkansas.gov.

If you wish to be added to the mailing list, removed from the mailing list, or update your mailing address, please use the [ASCC Newsletter Subscription Form](#).
