Legal Update

Craig Smith - Rules presented for CTAC to approve. Approved by Board of Health and governor. Moving to 30-day public comment period, then to AOC, maybe by August. CTAC will be notified of date of public comment hearing when scheduled.

Legislative session starts second Monday in January. Reminder to CTAC members that CTAC member may testify before legislature only in individual capacity, as an individual cosmetology learned professional, not as a member of CTAC.

Chuck Thompson - regarding ADH legislative role - initially ADH is neutral initially on legislation. ADH is not an industry professional association. Industry professional association can track and comment on legislation.

Approval of Paid Violations

Motion to approve - Wilson, second by Ware. Approved.

Program Update

Kelli Kersey

Launched CLIPS for Body Art, going well. There are three different systems, all data kept separate. Staff has gotten through renewal season, working well.

Things are going better with PSI.
