

ARKANSAS DEPARTMENT OF HEALTH COMMUNITY-BASED DOULA CERTIFICATION PATHWAYS

To be certified as a Community-Based Doula by the Arkansas Department of Health to perform services for Medicaid and insurance reimbursement, individuals must select an application pathway. Documentation necessary for certification will be determined by pathway.

PATHWAY A:

- Certification from a doula certification organization designated as an approved training program by the Arkansas Department of Health in conjunction with the Doula Alliance of Arkansas. Documentation in the form of a verification letter directly from the training program or a copy of a certificate of completion included with the Applicant Affidavit. Please check the ADH website for the current list of ADH Approved Doula Training Programs for Certifications.

PATHWAY B:

- Certification by the Doula Alliance of Arkansas. Documentation in the form of a copy of certification must be submitted with the Applicant Affidavit when applying.
