

Student Projects Proposal Form

If your ADH department or office would like to create a project for a college student and serve as the preceptor/supervisor for the project, here are a few helpful guidelines that you will need to follow.

Please make sure that you visit the link below to review necessary background information: <https://healthy.arkansas.gov/resources/about-adh/office-of-the-chief-science-officer/student-experience-projects/>

You will need to complete this Student Projects Proposal Form.

Please note that the information entered will be shared with interested students and displayed on the ADH public-facing website.

Please contact us if you have any questions:

Kristy Caldwell, DrPH, MPH; ADH Student Placement Coordinator; Phone: 501-661-2412; Email: Kristy.caldwell@arkansas.gov

Keyona Blevens; Workforce Management Specialist , AHELP/CHelp Coordinator; Phone: 501-534-6326; Email: Keyona.blevens@arkansas.gov
