

Fiscal Year 2026 Annual Report

A Note from Our Director

It is my pleasure to once again report on the activities of the Arkansas State Board of Pharmacy. The Arkansas State Board of Pharmacy has continued to serve the public and our licensees with unparalleled service as pharmacies and pharmacy professionals continue to act as a primary point of service for the health needs of Arkansans.

Since our last report, the Board has continued to implement updated systems that provide added flexibility for our licensees to interact with our agency and streamline the application and maintenance processes for their licensure. One major benefit of these updated systems is the ability for individuals and businesses to submit applications fully online as well as the ability to submit supporting documents and print their permits directly from their own computer. The Board has also continued to Build Partnerships for a Brighter Future by working with pharmacies and pharmacists to see how they can better care for patients by engaging in opportunities to help educate interprofessional audiences that are involved in taking care of patients in Arkansas through efforts such as the annual Arkansas Stop Overdose Summit. We continue to engage with various partners and colleagues to best serve the citizens of Arkansas to deliver our mission to promote, preserve, and protect the public health, safety, and welfare by and through the effective regulation of the many aspects of the drug delivery system.

Sincerely,

John Clay Kirtley, Pharm.D.

Most attend in person though exceptions are made for those out-of-state and those who may experience travel issues. Reciprocity candidates are scheduled to take the Jurisprudence Exam in person at Board offices prior to the Board meeting; then meet with the Board via Zoom during the Board meetings for final approval. The previous Board meeting minutes are approved at the beginning of each new Board meeting and posted online. Informal conferences are usually held on months without formal board meetings in order to resolve pending licensure issues.
