

Continuing Education Seminar for Limited Licensed Radiologic Technologists

2025

Presented by Ray Winters, M.S., RT(R)(CT)
Retired Director of Radiography Program at Arkansas State University

8:30 – 9:20 **Basic Imaging Principles** (1 hr CE)

This presentation covers some of the very basic considerations one should consider when performing a radiographic examination. Introduction to many basic terms, concepts and tips.

9:20 - 10:10 **Skull, Sinus and Facial Bone Radiography** (2 hrs CE)

This presentation covers radiographic anatomy and positioning of the skull, including sinuses and facial bones. Provides concepts, terminology and practical tips to prepare you to produce optimal images and review images for acceptability.

10:20 - 11:30 **“Scatter, Scatter Everywhere and not a Good One in Sight!”** (1 hr CE)

We explore the production of x-ray scatter, defining it, noting its harm to the image and to humans, and learning methods of dealing with it. Causes and effects of scatter will be investigated.

11:30 - 12:15 **LUNCH on your own**

12:15 - 1:10 **Pediatric Imaging: Adjusting Your Technical Factors and Other Considerations** (1 hr CE)

This presentation is designed to give a basic working knowledge of some common sense, practical approaches of pediatric radiography. It reviews some of the accepted methods of immobilization, patient care and techniques.

1:10 – 2:00 **X-rays: You Can’t Escape Them!** (1hr CE)

This presentation looks at the sources of radiation, how prevalent they are and what we can and can’t do about them. Patient and technologist protection will be reviewed.

Dates and Places of the Seminar

Jan. 4, June 7	Little Rock, AR	Pleasant Valley Church of Christ	10900 Rodney Parham Rd.
Jan. 18	Jonesboro, AR	St. Bernard’s Auditorium	225 E. Jackson Ave
Feb. 15	Springdale, AR	Jones Center for Families – room 226	922 E. Emma Ave.
Mar. 8	Batesville, AR	White River Medical Center	Conference Room B

Cost: \$110 payable at the door
(Make checks payable to Ray Winters)

Seating for each session is limited and pre-registration is suggested by calling or texting (870) 974-3816 or email raywinters1953@gmail.com.

All courses have been approved by the Medical Ionizing Radiation Licensure Committee
