

## Arkansas Department of Health 2026 Onsite Monitoring Program Recertification

For the 2026 CMP license recertification, we want to verify that CMPs are using the CASST monitoring system to keep track of their contracts and their inspections. Please update your contract list to make sure that it is current.

Once you have done that, please call one of the two people below to your verification form.

Ryan Christensen  
501-605-2190

or

Cole Kitchens  
501-837-4095

After you have your verification form, mail your renewal invoice, verification form and payment to the address below. Your payment will not be processed and your license will not be updated until you have completed this verification.

Failure to pay the registration renewal fee by the March 1 date shall result in a late fee equal to one-half of the renewal fee (\$75.00 total). Failure to renew within one calendar year will require retest to obtain license.

Mail the renewal fee to the address listed below:

Arkansas Department of Health  
4815 West Markham Street, Slot 46  
Little Rock, AR 72205-3867  
Phone: 501-661-2171
