3. Complete the summary sheet in full. A minimum of 30 hours of social work continuing education completed during the two-year licensure period must be listed. Your renewal period is the two (2) years prior to your expiration date. {Example: If your expiration date is July 31, 2023, then your renewal period is August 1, 2021, through July 31, 2023} Of the 30 hours, no more than 15 hours will be approved for independent or taped internet courses. Mail the renewal application, \$4 renewal fee and summary sheet to the Board **postmarked no later than your expiration date.** Your social work license will expire, and you will no longer be eligible to practice social work if the renewal application and other required materials are not postmarked by your expiration date. An expired license may be renewed within three months of the expiration date by submitting a signed attestation stating you have not practiced social work, the \$4 renewal fee, and the \$80 late penalty, (\$84 total).
Please note: This three month period is **not** additional time for completing the continuing education requirement and **does not allow for practice after the expiration date.** Continuing education completed outside the two-year licensure period will not be approved. **A license that has expired longer than three months is non-renewable.**

You may renew your license online or download additional forms at www.arkansas.gov/swlb.

If you do not wish to renew your license, please notify the Board in writing.

ATTESTATION FOR RENEWAL OF SOCIAL WORK LICENSE

AFTER EXPIRATION DATE

Effective July 22, 2015, Act 1170 of 2015

The Social Work Licensing Act has been amended. The section regarding the expiration and renewal of social work licenses, codified at Arkansas Code § 17-103-304, will read as follows effective July 22, 2015:

- (c) (3) Before the expiration date of the license, the licensee shall:
 - (A) Submit a renewal application and fee online; or
 - (B) Mail the renewal application and fee to the office of the board.
- (d) (1) If a licensee fails to renew his or her license before the expiration date, the license shall lapse the last day of the month of the calendar year that is exactly two (2) years from the calendar year and month in which the license was issued.
 - (2) A license that has lapsed for a period of less than three (3) months may be renewed by submission of:
 - (A) A completed renewal application.
 - (B) A fee that is two (2) times the amount of the renewal fee specified; and
 - (C) An attestation that the licensee has not practiced social work since the day that his or her license lapsed and the licensee will not practice social work until his or her license is approved for renewal by the board.
 - (3) If a license has lapsed for three (3) months or longer, the applicant for the license shall be considered a new applicant subject to appropriate provision of this chapter.
 - (4) A license that has expired over three (3) months is not renewable.
- (e) At the time of license renewal, an applicant shall present satisfactory evidence that in the period since the license was issued, he or she has completed the continuing education requirement as required by the board.

Please note: This three-months is **not** additional time for completing the continuing education requirement and **does not allow for practice after the expiration date**. Continuing education completed outside the two-year licensure period will not be approved.

If you do not mail (postmark must be no later than expiration date) or renew your social work license online by the expiration date of your license, then your license is considered lapsed as of the expiration date and you are not eligible to practice social work, work in a social work position or call yourself a social worker until the Social Work Licensing Board (the "Board") has received and approved your application for renewal.

I, the below named licensee, attest and affirm that I have not practiced social work since the day that my license lapsed. I will not practice social work until my license is approved for renewal by the Board.
