

ARKANSAS RESTRICTED WATER AND SEWER SERVICE INSTALLER LICENSE EXAMINATION STUDY GUIDE

The Arkansas Restricted Water and Sewer Service Installer License Examination will consist of two sections, candidates qualified to take the examination are given both sections at one time. You will have four hours to complete the test.

STUDY GUIDELINES

Section 1; Test consists of fifty questions taken from the 2018 Arkansas State Plumbing Code Book. To prepare for this section you should review the Arkansas State Plumbing Law, Chapters 1,2,3,6,7, and 10 of the 2018 Arkansas State Plumbing Code Book.

Section 2; Test will consist of ten questions relating to water pipe sizing. You should review Appendix E section of the 2018 Arkansas State Plumbing Code Book for these questions.
