Legal Update Craig Smith
Legislative session started. If you have interest in
any bills, you must do so in your personal capacity,
not as a committee member.

Program Update None

Question by Deann Spear - under the aesthetic program,
four students asked about registered hair stylists
being supervised by licensed cosmetologist. Why would
licensed aesthetician be supervised by licensed
cosmetology -- because that's the way the law is
written.

Note that in the future, legal questions should be
written and submitted ahead of time for inclusion under
the public comments agenda item.

Meeting adjourned-9:40 a.m. Next meeting 3-31-2025
