

REGULATION 6 —DISCIPLINARY PROCEDURES

06-00-0001—PROCEDURES FOR DISCIPLINARY ACTION

Before revoking the certificate of licensure of any licensed pharmacist or licensed pharmacy permit, the Board of Pharmacy shall give the licensee proper notice in writing to appear before the Board, at such time and place as the Board may direct, to show cause if any, why the certificate or permit should not be revoked. Said notice shall be signed by the Executive Director of the State Board of Pharmacy and shall set forth in clear concise language the nature of the charge against the licensee. Mailing a copy of such notice by registered mail, addressed to the licensee at the address appearing upon the records of the State Board of Pharmacy concerning the issuance of the certificate or permit or the last renewal thereof, shall be sufficient service to such notice. At such hearing, the Board shall have power to subpoena witnesses and the President or Chairman of the Board shall have the power to administer oaths and the Board shall hear evidence. If the Board finds, after such hearing, that the certificate of licensure or permit of the licensee should be revoked, the same shall be done forthwith.
